

WORLD SOCIAL INTEGRATION

D-9, D-9, Sector 3, Noida, Gautam Buddha Nagar, Uttar Pradesh, 201301

Experience Letter

This is to certify that **Ruhban Abdullah**, resident of Edipora Bomai Sopore, Jammu & Kashmir, was employed with **WORLD SOCIAL INTEGRATION** as a **Software Developer**.

He was associated with the organization from 24 August 2024 to 30 July 2025, for a duration of approximately one year.

Key Responsibilities:

- Developing and maintaining backend systems and web applications
- Writing clean, scalable, and efficient code
- Integrating APIs and managing databases
- Debugging, testing, and optimizing applications
- Collaborating with team members to deliver project requirements

Ruhban demonstrated good technical ability, problem-solving skills, and professionalism in his work. He was consistent in meeting deadlines and showed a strong willingness to learn.

His conduct and performance during his tenure were found to be satisfactory.
